

MARINE CONSERVATION IN SOUTH AFRICA 7 DAYS

BACKGROUND

Be immersed in the real activities of a marine conservationist - volunteer with marine scientists and experts while being exposed to some of the world's most iconic marine species!

Experience the majestic South African coast in the town of Gansbaai, where you will be directly involved in learning about, and contributing to, the conservation of South Africa's Marine Big 5: **whales, sharks, seals, penguins and dolphins.**

Observe marine species, big and small, collect data for ongoing research projects and directly contribute to the conservation activities in the area. Boat trips and an opportunity to shark-cage dive are all part of this exceptional experience!

An added bonus: you will be presented with a well deserved volunteer certificate to add to your CV.

COST PER LEARNER

- **R11,600** all inclusive for 7 days (departing Cape Town)
- Rates adjusted depending on point of departure & required flights
- Shorter stays can be discussed
- A teacher is not required, but with a minimum of 6 learners a teacher is hosted for free

COST INCLUDES

- Private transfer from Cape Town to the Camp
- Accommodation (shared cottages)
- Food (all meals)
- Two boat trips
- All other activities
- Marine conservation presentations & discussions
- Engagement with top researchers & scientists
- Shark-cage dive (optional, but included in price)

WHEN

Flexible dates from **January to August** (during school term or holidays)

NUMBER OF PARTICIPANTS

Minimum 6

Maximum 8

AGE GROUP

Preference given to Grades 10-12 due to the nature of the activities

COST EXCLUDES

- Travel insurance
- Expenses of a personal nature (snacks, buying food on-route)

WHY WORK WITH US

- We specialise in high schools, youth groups or small groups of individuals
- We only partner with conservation programmes that aim to achieve sustained positive impacts on the ground
- We provide authentic 'hands-on' multi-day experiences, organised from start to finish
