- Extra excursions
- Travel insurance
- Visas if required
- Expenses of a personal nature (snacks, local SIM card, etc)

WHY A VOLUNTEER FEE?

In addition to your fees contributing to the costs of your stay (like accommodation, food and maintenance), you are donating to conservation projects, contributing to research needs, infrastructure development, tools and building materials and even the petrol to get your work done!

Without volunteers, many of our conservation programmes wouldn't exist. So your contribution, both financially and physically, is making a real difference on the ground.
