

## MEANINGFUL CONSERVATION WORK & LIFE CHANGING EXPERIENCES FOR SCHOOL GROUPS

### 1 WILDLIFE & WILDERNESS: BOTSWANA

Discover the magic of Africa - with its vast landscapes and indigenous wildlife. Experience nature at its best and directly contribute to the conservation projects in this wilderness area.

10 days

[Learn more here](#)

### 3 DESERT ELEPHANTS: NAMIBIA

Immerse yourself in the remote landscapes of Namibia and participate in activities to protect desert-dwelling elephants and minimise human-elephant conflict.

10 days

[Learn more here](#)

### 5 FRESHWATER ECOSYSTEMS: WESTERN CAPE

Be exposed to the wonders and values of river ecosystems at the same time as participating in hands-on citizen science that makes a real contribution to conservation.

3 days

[Learn more here](#)

Join us for a win-win school trip: providing students with a true **African adventure** at the same time as directly contributing to **conservation programmes** on the ground.

Check out [our website](#) for more information.

### 2 MARINE ECOLOGY: SOUTH AFRICA

Experience the majestic South African coast where you will be directly involved in learning about and contributing to marine conservation projects, hands-on research or learn to SCUBA.

3-8 days

[Learn more here](#)

### 4 WILDLIFE & ADVENTURE: KWAZULU-NATAL

Embark on an adventure while participating in conservation activities, research & community-based projects in one of three exciting new locations.

5-10 days

[Learn more here](#)

### 6 WILDLIFE & COAST: KWAZULU-NATAL

Engage in an immersive wilderness experience that exposes you to wildlife and landscapes in both the terrestrial and marine environments.

5+ days

### WHY WORK WITH US

- We specialise in high schools, youth groups or small groups of individuals
- We only partner with conservation programmes that aim to achieve sustained positive impacts on the ground
- We provide authentic 'hands-on' multi-day experiences, organised from start to finish
