FRESHWATER CONSERVATION CAMP**BAINSKLOOF MOUNTAINS**

Join us for a weekend of river exploration and conservation action in the breathtaking Bainskloof mountains! Snorkel in crystal clear fynbos streams and meet the curious, fishy inhabitants that have swum these rivers for millennia. Get involved in hands-on science in an idyllic natural environment.

2 OR 3 DAYS**Minimum 10 participants****MORE INFO HERE****SAVING SANDFISH****CEDERBERG MOUNTAINS**

The Clanwilliam Sandfish is in danger of extinction and we need your help to save it! Journey to the rugged and majestic Northern Cederberg to partake in Africa's biggest ever freshwater fish rescue. Work alongside National Geographic scientists and actively save a species.

3 DAYS**Minimum 12 participants****MORE INFO HERE**

MARINE CONSERVATION

Learn about marine conservation whilst engaging with scientists in hands-on research. Participate in a rocky shores ecology field trip and collect data using coastal transects or contribute to ongoing research on shark eggs and their hatching success. Visit the penguin rehabilitation centre and hop on an ocean safari to observe South Africa's marine big-5!

GANSBAAI

3 DAYS

Minimum 8 participants

MORE INFO HERE

MARINE RESEARCH

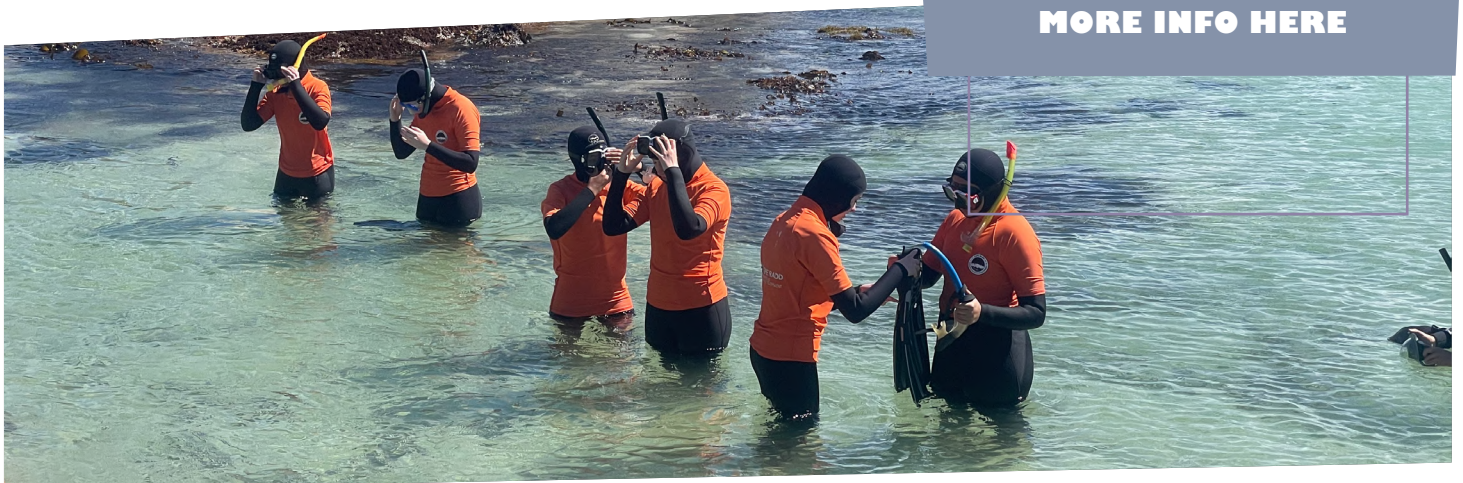

Immerse yourself in the unique marine environment of False Bay and learn to free dive and snorkel for science. Explore the famous kelp forests and collect data on fish and shark species. This is an opportunity to get hands-on with data analysis, connecting your observations to real-world conservation goals.

SIMONSTOWN

3 DAYS

Minimum 10 participants

MORE INFO HERE

Marine Camps:

Dive into marine conservation efforts and be exposed to the beauty of the coastal zone

MARINE EXPLORATION

Escape to the pristine beauty of South Africa's west coast for a weekend of hands-on exploration, group engagement and a connection to the coastal environment. Facilitated by passionate marine biologists and professional ecologists, uncover the secrets of the intertidal zone, hike through the fynbos and enjoy exhilarating ocean swims while discovering the importance of this unique coastal ecosystem.

BOKBAAI

2 OR 3 DAYS

**Minimum 12
participants**

HOW WILL YOU BENEFIT FROM BEING PART OF THIS PROGRAMME?

- 1 Connect with Life Sciences curriculum in a fun, hands-on and memorable way
- 2 Learn about ecosystems, gain new citizen science skills and contribute to conservation projects
- 3 Meet biologists and conservationists on the ground - ignite a passion to make change
- 4 Gain service/volunteer hours for LO requirements or other awards programmes
- 5 Develop knowledge and skills beyond textbooks and classrooms
- 6 Receive a Certificate of participation that can be included in job/study applications
- 7 Expand your network and open up opportunities for further work experience and possible careers
- 8 Connect with nature and reap the benefits of spending time outdoors

Let's work together to bring the classroom outdoors, to provide opportunities to give back and connect enthusiastic young people in nature

#YouthPower

Global youth are standing up and demanding to be heard.

Youth 4 Conservation offers authentic conservation experiences, immersing this generation of critical thinkers in real-world conflicts, challenges, and opportunities.

#MakingChange

We believe in adventures with impact!

Our partners are dedicated to conservation through research, biodiversity, community engagement, and raising awareness of key challenges.

#ConnectToNature

The research is conclusive – nature is good for you!

Youth 4 Conservation is committed to exposing youth to wild places and creatures that give you the chance to connect to the planet and to yourself.

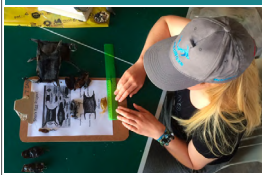

TO LEARN MORE ABOUT SOME OF OUR PROGRAMMES CLICK HERE

VOLUNTEER

Contribute to real conservation activities on the ground through meaningful volunteer opportunities in Africa.

RESEARCH

Work alongside passionate conservationists on vital research that directly informs conservation decisions.

DISCOVER

Discover the power of nature through immersive wilderness experiences that reveal the beauty of Africa, its wild places.

WHY US?

We specialise in high schools, youth groups, small groups of individuals and families’.

We only partner with conservation programmes that aim to achieve sustained positive impacts on the ground.

We provide authentic ‘hands-on’ experiences, organised from start to finish.

Y4C EXPERIENCES

THANK YOU FOR A LIFE CHANGING EXPERIENCE

“What did this [experience] do for me? I grew. It brought out the best in me, gave me direction, confirmed what I believe in. Thank you for a life changing experience” - Student

AN IMPACTFUL EXPERIENCE

“Thank you for organising a wonderful trip for our students! We all had a fantastic and impactful experience” - Teacher

AN INSPIRING AND HUMBLING EXPERIENCE

“This was an inspiring and humbling experience. To work hard for an impactful goal and to share it with a such a fantastic group of likeminded people was beyond rewarding.” - Student

THIS EXPERIENCE IS A GENUINE LIFE CHANGER

“My son spoke to me constantly, non-stop, for two hours, telling me about his experience. ‘I had the best time of my life’, he says. Thank you @youth4conservation from the bottom of our hearts. This experience is a genuine life changer.” - Parent
